

Daniels Graphics

Standard Size Postcards

This template is designed to assist you in creating automation compatible mail.
This template follows the guidelines set forth by the US Postal Service.
If you should have any questions or concerns please do not hesitate to call 828.277.8250

This dotted rule area represents bleed area. If you want printing to the very edge of card, you must have image/art go beyond trim edge by .125" on all sides that need to bleed.
